To be eligible for the award you must work SNOBEM and HFOBEM **once obligatorily** and collect a **minimum of 16 points** for member station contacts. Each station can be worked once only. Repeater QSOs do not count.

For SWLs the award application must indicate the details of the QSO between the stations (both callsigns, date, time and RST). If both correspondents are organizer stations, only one credit can be awarded (for only 1 callsign).

SWLs receive:

For SWL of the S.E.S stations SNOBEM and HFOBEM – 5 points (any mode)

For SWL of a member station – 1 point (SSB/FM/AM/DIGI) or 2 points (CW)

The member stations count only once, while the S.E.S station SWLs can be repeated even the same day (but a different band) or the same band (but a different date) till the end of the activity period.

HOW TO OBTAIN THE AWARD:

1. Collect the necessary number of points between March 14 – May 17, 2015
2. Wait for the list of eligible stations (created through member stations log check) to be announced on June 15th, 2015 on the organizers' websites: www.sp5kvw.com and <http://sp9pta.hamradio.pl/>
3. Once you see your callsign among the eligible stations, send your award application in any form (pdf, doc, adif, Cabrillo) not later than June 30th, 2015 to so5max@o2.pl
4. Wait for the final verified list of awarded stations and an e-mail with the electronic version of the award.
